Report of Principal and School Improvement Council

Dillon Middle School continued teaching two researched proven academic reading programs for the 2013-2014 school year. These two reading programs, Success For All and Scholastic's Expert 21, have shown a steady increase of student reading levels over the last four years. This year alone, students reading on grade level has increased by 20% according to SRI scores. We continue to implement the Balance Literacy program into our English Language Arts and Social Studies classes. Hands on manipulatives were used in Science and Mathematics. Dillon Middle School continues to excel in Algebra 1 with 100% passing rate among our students. Parents and community partnerships are an integral part of our school environment as well.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.
